

EASIER FOR YOUR EMPLOYEES. EASIER FOR YOU.

A seamless Cigna medical and behavioral online experience is here.

Easier to access. Easier to navigate. Easier to use.

Now, Cigna customers can access both their Cigna medical and behavioral health plan information on **myCigna.com**.

By making the switch from **CignaBehavioral.com** to the **myCigna®** website, we've made it easier for your employees to independently manage and make the most of their medical and behavioral health plan benefits – all in one place. And if you offer Cigna's Employee Assistance Program (EAP), the online experience will include the EAP, too.

myCigna.com and the **myCigna App** give your employees access to the same tools and resources for their behavioral benefits as they do with their medical benefits, including:

- ▶ View behavioral plan deductible and benefit information
- ▶ Search in-network behavioral providers

**For questions, contact
your Cigna account
representative.**

Together, all the way.®
